**TO WHOMSOEVER IT MAY CONCERN**

**SUB.: Vetting of structural design and drawings of housing projects of Trishla City- D Block, Zirakpur, Punjab**

**Ref: Structural design calculations and drawings as submitted**

This is to certify that the structural design and housing projects of Trishla City (Block: D), Zirakpur, Punjab prepared based on Staad-Pro (Version 2007, Build 04, Version release date 30 Oct 2008) have been checked and found to be conforming to the relevant codes of practice as per the Indian standards. All the stipulated combinations of gravity Loads and the relevant lateral loads have been considered and duly incorporated in the analysis and design. It is, however, advisable to provide some shear walls near the corners of the building to comply with the requirement of the latest software and IS codes.

The responsibility of the Indian Institute of Technology Roorkee shall be limited to checking of structural design calculations and drawings only. All procedural /legal/operational matters and architectural/functional details will be the responsibility of the owner.

Sincerely
